## The project is being implemented by:

DVV Branch Office in Uzbekistan in partnership with the Republican Centre for Socio-Economic Development "SABR" of Samarkand.

## Implementation period:

March 2024 – February 2026

## Objective:

Civil Society Organizations of Uzbekistan empowered and engaged as independent actors of inclusive and effective democratic governance and development.

## Activities of the project:

- Component 1: Capacity building of local civil society actors
- Component 2: Establishing gender-transformative territories/communities
- Component 3: Advocating gender-transformative approaches.

## Expected outcomes:

- Organizational capacity of CSOs strengthened to advocate and facilitate inclusive and equitable socio economic development
- Local citizens empowered, educated, and mobilized to promote gender-transformative territories/communities (GTT/C)
- Decision makers and wider public understand, recognize, and disseminate the GTT/C approach from local to national levels.
