DVV INTERNATIONAL IN KYRGYZSTAN IN NUMBERS

Supported by the

Federal Ministry
for Economic Cooperation
and Development

DVV International, has been active in Kyrgyzstan since 2002, plays a key role in the development of adult education at the macro level.

The organization focuses on developing and strengthening the adult learning and education (ALE) system in Kyrgyzstan by improving policy frameworks and building the capacity of a diverse range of stakeholders, taking into account both local needs and global trends.

The organisation promotes enhancement of coordination between:

State authorities

Public organisations working in the field of adult education

Educational institutions

7 KEY EVENTS AND NUMBER OF PARTICIPANTS

At the meso level, DVV International focuses on supporting organisations that **directly provide educational services for adults and youth.**

The goal is to increase capacity of these organisations to provide quality and effective education for different population groups.

DVV International supports them in developing their capacity building, including strengthening infrastructure, developing educational programmes and methodologies.

The organisation also promotes partnership and networking by creating platforms for the exchange of experience and resources. DVV International supports introduction of innovative approaches and technologies in the educational process, and helps to develop systems for monitoring and evaluating the quality of educational services.
